- Number of MySkills graduates who gain a decent job and remain in the job for at least 1 year
 - Number of MySkills graduates who report an improved quality of life and/or an increased income

MESSAGE FROM

CHAIRMAN

" At MySkills, we have always believed that transformation begins with compassion. Before we teach skills, we nurture confidence. Before we prepare youths for employment, we help them rediscover their self-worth.

Every act of empathy, every word of encouragement and every opportunity extended becomes part of a journey that allows a young life to heal and flourish."

DR. M. SHANMUGA SIVA

Chairman

+6 014 3602 737

Every year, I am reminded that the true strength of MySkills Foundation is not measured by the number of programmes we deliver or the milestones we achieve. It is measured by the lives we embrace with care, the hope we restore, and the love we extend to every young person who walks through our gates.

At MySkills, we believe that love is not merely a feeling, it is a verb. It is an active and continuous choice to listen, support, encourage, forgive and, most importantly, show up. For the youths we serve, love takes the form of a safe place to belong, a patient mentor, a second opportunity and someone who continues to believe in them even when they struggle to believe in themselves.

Transformation, therefore, begins with compassion in action. Before we teach skills, we nurture confidence. Before we prepare youths for employment, we help them rediscover their dignity and self-worth. Every act of empathy, every word of encouragement and every opportunity extended becomes part of a journey that allows a young life to heal, grow and flourish.

This year has been a meaningful affirmation of that belief. MySkills was privileged to be onboarded as one of the pioneering organisations under Impak Rintas, Malaysia's first Social Exchange Platform. Beyond recognition, it is an opportunity to strengthen sustainable support for the thousands of vulnerable youths who continue to rely on organisations like ours to stand beside them.

One of the most heartwarming moments of the year was witnessing more than 100 MySkills youths participate in HSBC's Global Circle of Excellence alongside over 450 global leaders. Watching our youths engage confidently

on an international platform reminded us that when young people are surrounded by consistent care, guidance and belief, they begin to discover possibilities far greater than the limitations once placed upon them.

We were equally humbled when the MySkills Transformation Model was recognised by UNICEF and the Ministry of Education during the ASEAN Summit in Kuala Lumpur. What began as a simple mission to care for forgotten youths is now contributing to wider conversations on youth development beyond our borders.

These achievements do not belong to MySkills alone. They belong to every volunteer who gave their time, every donor who shared their blessings, every partner who walked beside us, and every individual who chose compassion over indifference. Through their actions, they have demonstrated that love becomes transformative when it is practised consistently, not only spoken about, but lived.

As we look ahead, my hope is that we continue building a society where empathy is expressed through action, where love creates opportunities, and where no young person is ever made to believe that they are beyond hope. Because when we choose to listen, support, believe and show up, we do far more than change lives and ultimately we change the future.

We are blessed and thankful to our children for making this spiritual journey of this lifetime of ours possible.

"Compassion opens the door; opportunity and guidance help a young person walk towards transformation".

MESSAGE FROM

CO-FOUNDER

"Looking back, we are deeply humbled by the trust placed in us. Thousands of generous individuals, corporations & institutions have journeyed alongside MySkills, enabling us to raise more than RM51 million to sustain our operational programmes and an additional RM24 million to develop the MySkills Youth Transformation & Entrepreneurship Campus."

If MySkills has inspired you, I warmly invite you to become part of this growing family of changemakers. Simply scan the QR code & join our Monthly Donor Campaign. Your monthly contribution is more than a donation, it is a promise that another young person will receive the opportunity to dream again."

PASUPATHI SITHAMPARAM

Co-Founder
+6 012 2245 514

For the past sixteen years, MySkills Foundation has been sustained by one unwavering belief that every young person deserves an opportunity to rebuild their future, regardless of where they began.

Looking back, we are deeply humbled by the trust placed in us. Thousands of generous individuals, corporations and institutions have journeyed alongside MySkills, enabling us to raise more than RM51 million to sustain our operational programmes and an additional RM24 million to develop the MySkills Youth Transformation & Entrepreneurship Campus. Every contribution, regardless of its size, has become an investment in changing lives, restoring dignity and creating brighter futures for vulnerable youths.

The renewal of MySkills' tax exemption status by the Ministry of Finance and the Inland Revenue Board (LHDN) until 2029 is a strong affirmation of the Foundation's governance, transparency and commitment to serving the public good.

Yet, our responsibility continues to grow. Operating a fully residential transformation programme requires long-term commitment and sustained

funding. Each year, approximately RM3 million is needed to ensure that every youth entrusted to our care receives holistic support throughout their journey towards independence.

To strengthen our future, we have launched our Monthly Donor Campaign, with the aspiration of building a community of 5,000 committed donors contributing RM100 or RM200 each month. Together, this initiative aims to establish a sustainable funding base of RM10 million, ensuring that our mission continues to transform lives for generations to come.

If MySkills has inspired you, I warmly invite you to become part of this growing family of changemakers. Simply scan the QR code and join our Monthly Donor Campaign. Your monthly contribution is more than a donation, it is a promise that another young person will receive the opportunity to dream again.

"The greatest expression of gratitude is not in what we say, but in what we choose to give."

MESSAGE FROM

CHIEF EXECUTIVE OFFICER

"Every graduate represents a story of resilience, perseverance and renewed hope. Their success is a reflection of the collective efforts of families, trainers, mentors, volunteers and partners who chose to believe in their potential."

"As we look ahead, I invite you to continue building this future together with us. With your continued support, we can ensure that no young person is left behind and that every youth, regardless of their circumstances, is given the opportunity to transform, to thrive, and to contribute meaningfully to our nation."

DEVASHARMA GANGADARAN

Chief Executive Officer
+6 012 3465 212

The past year has once again demonstrated what becomes possible when government, industry, philanthropy and communities come together with a shared commitment to transform lives.

Together with our valued partners, MySkills Foundation continued to expand opportunities for at-risk youths through initiatives that strengthened vocational skills, digital readiness, financial literacy, employability and holistic character development. We are deeply grateful to organisations such as HSBC, JPMorganChase, Baker Hughes, UMW Toyota, Rotary Club of Damansara and many other partners whose confidence in our mission has enabled us to create meaningful and lasting impact for young Malaysians.

One of the defining moments of the year was our 7th Graduation Ceremony held in December, where more than 200 youths celebrated the successful completion of their transformation journey. Every graduate represents a story of resilience, perseverance and renewed hope. Their success is a reflection of the collective efforts of families, trainers, mentors, volunteers and partners who chose to believe in their potential.

I am equally grateful to the dedicated MySkills team, whose unwavering commitment, compassion and countless hours of service continue to make this mission possible. Their dedication goes far beyond delivering programmes they nurture, mentor and walk

alongside every youth, often becoming the trusted support system that inspires lasting transformation. The achievements we celebrate today are a testament to their passion and selfless commitment.

While we celebrate these milestones, we remain mindful that thousands of vulnerable young Malaysians are still searching for a pathway towards a better future. Sustaining a fully residential, long-term transformation model requires consistent investment, strong partnerships and a shared sense of responsibility.

On behalf of the entire MySkills family, I extend my heartfelt appreciation to every donor, corporate partner, government agency and individual who has journeyed with us. Your trust has empowered young people to rebuild their lives and strengthened our resolve to continue this important work.

As we look ahead, I invite you to continue building this future together with us. With your continued support, we can ensure that no young person is left behind and that every youth, regardless of their circumstances, is given the opportunity to transform, to thrive, and to contribute meaningfully to our nation.

"Real change is never achieved alone. It is built through partnerships, sustained by trust, and measured by the lives we transform together."

A Life Devoted to Healing, Dignity and Second Chances

A Tribute to Tan Sri Dato' Seri Azlanii Dr. M. Mahadevan Mahalingam

*Some lives are remembered for the titles they carried.
Others are remembered for the lives they restored.
Tan Sri Dr. Mahadevan will be remembered for both
but most of all, for seeing possibility where others
saw limitation.*

Widely known as the **“Father of Modern Psychiatry”** in Malaysia, Tan Sri Dato' Seri Azlanii Dr. M. Mahadevan Mahalingam was a visionary psychiatrist, compassionate rehabilitator, educator and lifelong advocate for the dignity of every human being.

To those closest to him, however, he was simply and affectionately known as **“Uncle Tuan.”**

His journey into medicine began with the encouragement of teachers who recognised his potential. As a young boy, he was far more interested in riding horses than completing his studies. His teachers at St John's Institution found creative ways to motivate him, ensuring that he completed his schoolwork before being allowed to ride.

Reflecting on those formative years, he said:

“I owe my success to them and believe anyone can achieve it given the right teachers to motivate you.”

That belief, that human potential can be awakened through encouragement, patience and the right guidance would become a defining principle throughout his life.

After pursuing medicine in India and specialising in psychiatry, Tan Sri Dr. Mahadevan continued his learning in Dublin, Columbia University and Harvard. His experiences shaped an approach to mental healthcare that was compassionate, innovative and far ahead of its time.

In 1967, he returned to Malaysia following an invitation from the country's first Prime Minister, Tunku Abdul Rahman, to help establish a mental healthcare system that would serve all Malaysians. As the first director of the Central Mental Hospital in Tanjung Rambutan, he renamed it **Hospital Bahagia Ulu Kinta**, believing that even the name of an institution should communicate welcome, hope and humanity.

For Tan Sri Dr. Mahadevan, rehabilitation was never simply about medication or keeping individuals separated from society. He believed that people needed meaningful engagement, supportive communities and opportunities to rebuild their confidence. He introduced community-based approaches that helped former patients reintegrate into society and lead fulfilling lives.

His lifelong love of horses also became part of his healing philosophy. He discovered that interaction with horses could help emotionally and psychologically distressed individuals develop confidence, communication and trust. This conviction later inspired the establishment of Madhuban Home, the Halfway Home and therapeutic riding initiatives for persons with disabilities.

A Legacy of Healing and Giving

It was this same belief in **rehabilitation, dignity and human potential** that connected Tan Sri Dr. Mahadevan to the cause of MySkills Foundation.

He understood that no person should be defined solely by illness, disadvantage, past mistakes or difficult circumstances. He believed that transformation becomes possible when individuals are surrounded by people who recognise their strengths, provide structure and guidance, and refuse to give up on them.

Tan Sri Dr. Mahadevan believed in MySkills because he recognised these same principles in our work with at-risk youth.

Many of the young people who arrive at MySkills have experienced educational disengagement, poverty, unstable family environments, rejection or a lack of positive adult guidance. Too often, society sees only their behaviour, their academic struggles or their past.

MySkills chooses to see what lies beneath—and, more importantly, what still lies ahead.

Through holistic transformation, residential care, counselling, character development, life skills, vocational education and employment preparation, MySkills provides young people with a

second opportunity to rebuild their lives. Tan Sri Dr. Mahadevan understood that genuine rehabilitation requires more than intervention. It requires dignity, belonging, discipline, compassion and the opportunity to contribute meaningfully to society.

His belief in MySkills was not expressed through words alone. He translated that belief into action by making a significant contribution to MySkills Foundation one that will strengthen our work and help transform the lives of many at-risk youths. Through his generosity, more young people will be given the opportunity to rebuild their confidence, develop meaningful skills and move towards employment, independence and a more hopeful future.

His encouragement and generosity strengthened our conviction that every young person deserves someone who believes in them before they are able to believe in themselves.

Throughout his distinguished career, he helped shape Malaysia's mental healthcare landscape, established professional and rehabilitation organisations, promoted therapeutic riding and created opportunities for future generations of psychiatrists to study and conduct research internationally. Yet beyond these

accomplishments, his greatest legacy remains the countless people whose lives were changed because he chose to treat them with humanity.

He was courageous, unconventional and unwavering in his pursuit of what he believed was right. As he once declared:

“I am not swayed by criticism or condemnation on my unconventional ideas to achieve my goals.”

Tan Sri Dr. Mahadevan lived a colourful, gifted and purposeful life. He leaves behind not only a legacy in psychiatry, but also a philosophy that will continue to guide all who believe in healing, rehabilitation and second chances.

At MySkills Foundation, we will remember him as a respected elder, a believer in our mission and a friend of our cause.

His presence will be deeply missed, but his belief in human potential will continue to live through every young person who is given the opportunity to begin again. **His contribution will remain part of his enduring legacy, helping MySkills create second chances and transform the lives of at-risk youths for years to come.**

**With gratitude and deepest respect,
The Board, Management, Staff and Students

PARTNERSHIPS & RECOGNITIONS

MySkills Foundation listed on Social Exchange Platform regulated by Securities Commission Malaysia

MySkills Foundation was selected as one of the first eight organisations listed on Impakrintas, Malaysia's first social exchange platform commissioned by the Securities Commission Malaysia.

In 2024, Prime Minister Datuk Seri Anwar Ibrahim announced the introduction of the social exchange initiative and later the first social exchange pilot programme was successfully implemented by the Securities Commission in the first half of 2025. Following that the Social Exchange Platform was officially launched by YB Liew Chin Tong, Deputy Minister of Finance on 25th May 2026. This platform aligns with the whole-of-nation approach of Capital Master Plan 2026-2030, emphasising collaboration to sustain national economic resilience.

Impakrintas strengthens transparency in nonprofit fundraising by regulating how

charitable funds are raised, utilised, and verified for impact. Through the platform, corporations and members of the public can contribute to listed social causes with greater confidence and accountability.

Donations made via Impakrintas are eligible for tax benefits under **subsection 44(6)** and **paragraph 13(1) of Schedule 6** of the **Income Tax Act 1967**, providing tax parity for eligible contributors.

Through Impakrintas, MySkills Foundation is advancing **Project STAR — Sustainable Transformation for At-Risk Youth**, a long-term initiative to upskill and support **400 at-risk youth by 2030**. The programme aims to equip young people with life skills, vocational training, character development, and employability pathways that enable them to transition into meaningful work and sustainable futures.

Graduation Ceremony

MySkills Foundation's 7th Graduation Ceremony

On 13 December 2025, MySkills Foundation held its 7th Graduation Ceremony, celebrating 200 youths who successfully completed the Foundation's holistic transformation and vocational training programmes for the 2024–2025 session.

The ceremony was officiated by **YB M. Kula Segaran**, Deputy Minister in the Prime Minister's Department (Law and Institutional Reform), and attended by parents, educators, donors, volunteers, corporate partners, and long-standing supporters who have contributed to MySkills Foundation's mission over the years.

Graduates received certifications across key vocational areas, including **Electrical Wiring, Air Conditioning, Corporate Secretarial Practice, Care Giving, and Bakery & Pastry Arts**. These training pathways are aligned with current workforce needs and support the Foundation's commitment to preparing youth for employment, further training, and independent living.

A key highlight of the ceremony was the presentation of awards to outstanding graduates. These included the **Raja Dato' Rashid Raja Badiozman Transformation Award**, the **MySkills**

Excellence Award, and three **Special Jury Awards** recognising leadership, personal growth, and technical excellence.

The graduation marked more than the completion of a training journey. It represented the transformation of vulnerable youths into more confident, disciplined, and future-ready individuals. MySkills Foundation's model integrates technical certification with character development, life skills, mentoring, and emotional support, enabling students to rebuild self-worth and strengthen their economic potential.

The ceremony also reflected the Foundation's evolving role as more than a skills training provider. MySkills Foundation continues to serve as an impact enabler, connecting government agencies, corporate partners, donors, volunteers, families, and communities around a shared belief in second chances for at-risk youth.

As the graduates move into employment, further studies, and new life pathways, the 7th Graduation Ceremony stands as a testament to what sustained support, structured intervention, and collective commitment can achieve.

Recipient of Malaysia UN-SDG Trust Fund

MySkills Foundation was selected as one of the organisations to receive the Malaysia UN-SDG Trust Fund, a collaboration between the United Nations in Malaysia and Yayasan Matlamat Pembangunan Mampan Malaysia, also known as Yayasan MySDG with the support from the Ministry of Finance.

The fund supports innovative, people-centred SDG solutions that address Malaysia's national priorities with a focus on communities and areas at-risk of being left behind.

Through this partnership, MySkills will implement its holistic transformation and skills training programme for **100 at-risk youth** aged 15-19 from B40 and B20 households over 18 months. The programme goes beyond conventional technical training by

combining vocational education with character development, emotional resilience, life-management skills and workplace readiness.

This initiative directly contributes to three Sustainable Development Goals: SDG 1: No Poverty, SDG 4: Quality Education and SDG 8: Decent Work and Economic Growth.

Through this partnership, MySkills Foundation is strengthening an end-to-end pathway that begins with personal transformation and continues through skills development, certification, employment and post-placement support. By investing in 100 at-risk youth, the Malaysia UN-SDG Trust Fund and MySkills Foundation are helping create lasting change that extends beyond individual beneficiaries to their families, workplaces and communities.

JPMorganChase

Digital Career Accelerator Programme

MySkills Foundation and JPMorganChase formalised a strategic partnership to deliver the Digital Career Accelerator Programme, strengthening inclusive career pathways for underserved youth in Malaysia.

On 26 May 2026, this partnership was commemorated through a grant launch event. This event was officiated by Ybhg. Dato' Ts. Dr. Nagulendran Kangayatkarsu, Secretary General of Ministry of Science, Technology and Innovation together with Ms. Hooi Ching Wong, Senior Country Officer, JPMorganChase Malaysia.

Building on a partnership that has empowered more than **700 underserved youths** since 2018, the new grant cycle will support **550 beneficiaries from 2025 to 2027**. The programme will equip youth from low-income and marginalised backgrounds with industry-aligned digital, technical, and employability skills, preparing them for entry-level digital careers and sustainable livelihoods.

Delivered through a structured and outcome-driven approach, the programme covers research, curriculum enhancement, trainer upskilling, youth development, and employer engagement. By aligning training with labour market needs, the initiative aims to bridge the gap between talent supply and industry demand, particularly within Malaysia's growing digital economy.

As artificial intelligence and digital transformation continue to reshape the future of work, this partnership reflects a shared commitment to ensuring vulnerable youth are not left behind, but are equipped with the confidence, resilience, and skills to thrive in the new economy.

Partnership for Green Skills & Youth Empowerment

Building on eight years of collaboration, MySkills Foundation and HSBC Malaysia continued to champion youth empowerment, environmental sustainability, and inclusive economic participation through several key engagements.

HSBC–MySkills Achievement Day 2025

In December 2025, MySkills Foundation and HSBC Malaysia celebrated the graduation of 100 underserved youths trained in Solar Photovoltaic (PV) and Electric Vehicle (EV) technology under the initiative, “100 Youths Charging Up for a Greener Tomorrow.” The ceremony was graced by YBhg. Dato’ Ts. Dr. Nagulendran Kangayatkarasu, Secretary General of the Ministry of Youth and Sports, alongside YM Raja Amir Shah Raja Azwa, Chief Executive Officer of HSBC Amanah and Chief Sustainability Officer of HSBC Malaysia.

HSBC Malaysia Global Sustainability Team Visit to MySkills Campus

Beyond the green technology programme, MySkills welcomed members of the HSBC leadership team, including the Chief Sustainability Officer (CSO) and Chief Financial Officer (CFO), to its Kalumpang campus in 2026. The visit provided firsthand insight into the realities on the ground, including key needs and gaps within the current training structure. It also laid the foundation for a strengthened partnership through deeper engagement with MySkills' youth transformation model.

HSBC Global Circle of Excellence 2026

HSBC further supported youth confidence and global exposure through the Circle of Excellence, where nearly 400 top-performing HSBC leaders from around the world gathered in Kuala Lumpur. During the programme, HSBC leaders engaged with 100 MySkills youths through sporting activities and business pitching sessions focused on developing a sustainable café concept. These sessions provided a practical platform for youths to sharpen critical thinking, collaboration, and presentation skills, while gaining valuable international exposure through networking with HSBC leaders.

Together, these engagements reflect a shared commitment to inclusion, dignity, sustainability, and second chances. Through HSBC Malaysia's continued support, MySkills youths gained not only technical capabilities, but also confidence, mentorship, exposure, and clearer pathways to meaningful participation in Malaysia's green and inclusive economy.

Strengthening Skills, Confidence & Financial Readiness

Since 2023, AmBank has supported MySkills through various CSR engagements. In 2023, the partnership enabled holistic transformation and pre-vocational training for 30 underserved youths aged 13–14, while FINCO, with AmBank's support, delivered financial literacy and English programmes. To date, seven students have progressed to Pre-Vocational Level 2 and 23 to the SKM Level 2 programme.

Deepavali Engagement with AmBank in 2025

In **October 2025**, AmBank Group hosted a Deepavali engagement at the MySkills campus, where more than **100 students opened savings accounts** with a minimum deposit of RM1. The programme also featured festive refreshments, health screenings by Beacon Hospital, and Deepavali money packet distribution for all students and staff.

FINCO Sessions with MySkills Students

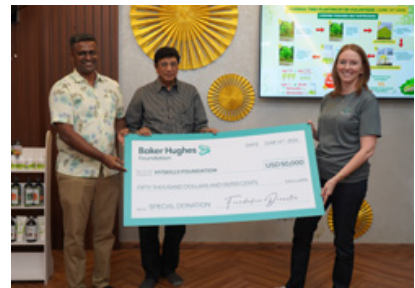

Currently, sessions focusing on English literacy and soft skills are actively being conducted at MySkills campus with active participation from AmBank volunteers.

Together, the partnership with AmBank and FINCO reflects a shared commitment to expanding opportunity for underserved youth by not only by preparing them for work, but also by building the confidence, knowledge, and resilience needed to navigate life beyond training.

ESG Event for Earth Day & Educational Grant Cheque Handover

The partnership between Baker Hughes MySkills Foundation has grown enormously over the years which culminated through volunteering initiatives from Baker Hughes.

In conjunction with **Earth Day**, Baker Hughes strengthened its ESG partnership with MySkills Foundation through a campus engagement at MySkills' Kalumpang campus. The programme involved **34 members of Baker Hughes' senior leadership team** and the planting of **100 Moringa trees** across the campus grounds.

The visit was led by **Allyson Anderson Book**, Chief Sustainability Officer of Baker Hughes, together with the Baker Hughes Malaysia leadership team. During the engagement, Baker Hughes presented a mock cheque of **USD 50,000** to invest for digital skills training at MySkills campus.

The tree-planting activity contributed to MySkills Foundation's broader sustainability efforts by enhancing the campus environment while providing students with exposure to ESG-aligned action. The

Moringa tree, known for its resilience, nutritional value, and regenerative qualities, was selected to reflect the Foundation's focus on sustainability, livelihood development, and long-term youth transformation.

The engagement also provided Baker Hughes' leadership with an overview of MySkills Foundation's 15-year journey in supporting at-risk youth, including its approach to linking environmental initiatives with skills development, employability, and social impact.

Through this collaboration, MySkills Foundation and Baker Hughes continue to advance shared priorities in sustainability, youth empowerment, and inclusive community development.

In 2026, MySkills Foundation was also featured in **Baker Hughes in Malaysia corporate video**, which is linked in this annual report. The feature further highlights the partnership's shared focus on sustainability, skills development, and inclusive impact for at-risk youth.

Supporting At-risk Youth & School Transition Pathways

Since 2022, Yayasan Hasanah has been a key partner of MySkills Foundation in supporting B40 youth and families through two major initiatives: Holistic Transformation Skills Training and Beyond the Bells, an after-school support programme for students transitioning from vernacular primary schools into secondary education.

Holistic Transformations Skills Training Programme

Through the **Holistic Transformation Skills Training Programme** implemented from **2022 to 2024**, **100 at-risk youths** were supported to build vocational skills, life skills, discipline, and job readiness. The programme prepared participants for internships and job placements, with employed graduates earning at least **RM1,700 per month**. This reflects the programme's contribution towards helping vulnerable youth transition into income-generating pathways and greater economic independence.

Beyond the Bells (2024-2025)

Through the **Holistic Transformation Skills Training Programme** implemented from **2022 to 2024**, **100 at-risk youths** were supported to build vocational skills, life skills, discipline, and job readiness. The programme prepared participants for internships and job placements, with employed graduates earning at least **RM1,700 per month**. This reflects the programme's contribution towards helping vulnerable youth transition into income-generating pathways and greater economic independence.

Sustaining TVET Pathways for Students

Building on the foundation established in 2023, MySkills Foundation's partnership with **Kuok Foundation** has continued to grow in both strength and impact.

For the **2025/2026 cycle**, Kuok Foundation sponsored **20 MySkills students**, supporting their skills training and development journey. These students have since completed their **Sijil Kemahiran Malaysia (SKM)** examinations and are

now progressing into continued studies and job placement pathways.

Kuok Foundation has renewed and expanded its support for the **2026/2027 cycle**, sponsoring **27 students**. This continued commitment enables more underserved youth to access structured skills training, personal development, and pathways towards sustainable employment.

MySkills Foundation's long-standing collaboration with the **Malaysian Community & Education Foundation (MCEF)** continues to support inclusive education and economic empowerment for financially disadvantaged youth.

Since 2020, MCEF has sponsored students annually to access quality vocational training, particularly in **Electrical Wiring at SKM Level 2**, alongside practical, hands-on learning and personal development support. For the **2025 cycle**, **19 MCEF-sponsored students** completed their

examinations and are now progressing into continued studies and job placement pathways. Building on this progress, MCEF renewed its support for the **2026 cycle**, sponsoring **20 students** to complete vocational training. These students are currently developing their technical competencies and progressing steadily through their training journey.

Through this continued partnership, MCEF is helping underserved youth gain recognised skills, build confidence, and prepare for sustainable employment.

YAYASAN
TUNKU ABDUL RAHMAN

Access to TVET & Closing the Gap Learning Visit

MySkills Foundation's partnership with **Yayasan Tunku Abdul Rahman (YTAR)** began in **October 2024**, with **12 students** sponsored to complete holistic transformation and skills training. The students have since completed their SKM examinations and are now progressing into continued studies and job placement pathways.

MySkills Foundation also hosted **50 participants** from YTAR's **Closing the Gap** programme, together with

representatives from YTAR and CIMB Foundation, for an immersive campus learning visit. Participants gained exposure to TVET pathways through hands-on sessions in baking, air-conditioning maintenance, and agriculture, as well as peer-sharing by current MySkills trainees. The visit helped broaden understanding of vocational education as a credible pathway for personal development, employability, and future career progression.

Expanding Access to Skills Training for B40 Community

Since 2022, the **Malaysian Indian Transformation Unit (MITRA)** has been a key partner in supporting MySkills Foundation's mission to empower underserved youth through holistic transformation and skills training.

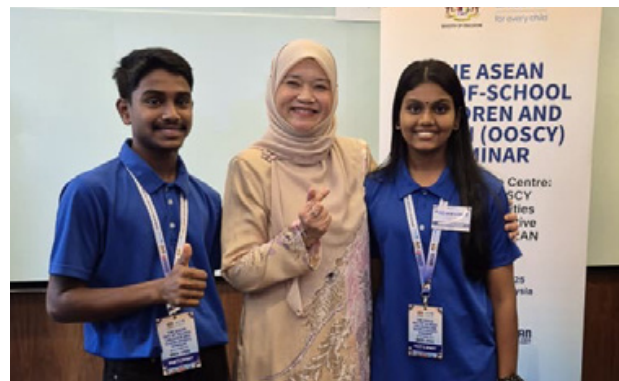

Under MITRA's grant programme, **40 MySkills youths** were supported to complete the Foundation's integrated training pathway, which combines vocational skills, character

development, life skills, and employability support.

For **2026**, MITRA renewed its commitment by sponsoring **21 youths** to undergo vocational training. This continued support enables more young people to access structured skills development and progress towards sustainable employment pathways.

ASEAN Out-of-School Children & Youth (OOSCY) Seminar 2025: Advancing Second-Chance Education

MySkills Foundation was honoured to participate in the **ASEAN Out-of-School Children and Youth (OOSCY) Seminar 2025**, themed “**From Margin to Centre: Bridging OOSCY Intersectionalities through Innovative Solutions in ASEAN.**” The regional seminar was organised by UNICEF Malaysia and the **Ministry of Education Malaysia**, and officiated by **YB Puan Fadhlina Sidek**, Minister of Education.

As a Malaysian non-profit organisation supporting at-risk and marginalised youth, MySkills Foundation was featured in **Day 4, Session 14 on Second Chance Education**, where it shared its 15-year journey and holistic youth transformation model. The session highlighted MySkills’ approach to supporting NEET and out-of-school youth through character development, vocational training, life skills, and social reintegration.

The seminar also included youth participation through the **Student Co-Lab** led by **Arus Academy**, where two MySkills students contributed their perspectives alongside other young people. Their involvement reinforced the importance of placing youth voices at the centre of conversations on education access, inclusion, and policy

development. The platform enabled MySkills Foundation to engage with education leaders, practitioners, and organisations from across ASEAN, including Thailand, Laos, Cambodia, Vietnam, Indonesia, and the Philippines, as well as international bodies such as UNESCO, SEAMEO, and OECD. These exchanges offered valuable insights into regional challenges faced by out-of-school children and youth, and the innovative approaches being developed to address them.

MySkills Foundation extends its appreciation to UNICEF Malaysia and the Ministry of Education Malaysia for convening this important regional platform. The experience further strengthened the Foundation’s commitment to advancing inclusive second-chance education pathways and building resilient, skilled, and employable youth for Malaysia’s future.

Dato' Yoges MySkills Charity Golf Tournament

2025 Inaugural Dato' Yoges MySkills Charity Golf Tournament

The Dato' Yoges MySkills Charity Golf Tournament continues to serve as an important fundraising platform for setting up a sustainable funding model for MySkills Foundation bringing together golfers, partners, and supporters in support of underserved youth.

On **29 August 2025**, MySkills Foundation hosted the tournament at **Tropicana Golf & Country Resort**, with nearly **100 golfers** participating. Held in the System **36 Stableford format**, the event combined sporting competition, fellowship, fundraising, and community engagement. The tournament successfully raised **RM280,000** to support MySkills Foundation's education, vocational training, and holistic development programmes.

2026 Dato' Yoges MySkills Charity Golf Tournament

In **2026**, the tournament was once again held under the patronage of **Dato' A. Yogeswaran** on **22 May**, bringing together close to **100 passionate golfers** for the MySkills cause. The event raised close to **RM305,000**, with proceeds channelled towards empowering more at-risk youths through MySkills Foundation's transformation and skills training programmes.

MySkills Foundation extends its sincere appreciation to **Dato' A. Yogeswaran**, the tournament patron and longstanding supporter of the Foundation, as well as all sponsors, donors, golfers, and partners whose generosity contributed to the success of both tournaments.

More than a fundraising event, the tournament reflects the strength of community philanthropy and collective support in creating pathways of opportunity for young people who need a second chance.

Building Career Pathways in Data Centre Industries

In 2025, MySkills Foundation strengthened its focus on future-ready skills through a strategic collaboration with **Basis Bay** and **Universiti Malaya** under the inaugural **Data Centre Foundation Certificate (DCFC) Programme**.

Through this initiative, 16 MySkills trainees were selected to participate in a specialised programme introducing them to data centre operations, a growing and critical field within Malaysia's digital economy. The programme provided exposure to technical and sustainability aspects of digital infrastructure, including energy-efficient systems, renewable energy integration, and data centre operational practices.

All 16 trainees successfully completed the certification, with four achieving distinction. The achievement was marked through a certificate presentation ceremony officiated by **Bas van der Wal**, Chief Executive Officer of Basis Bay. The partnership also created direct industry pathways

for participants. Two trainees were offered six-month internship placements with Basis Bay, allowing them to gain hands-on experience in a professional data centre environment. Following their strong internship performance, both trainees were subsequently offered permanent employment with the company.

This progression from training to certification, internship, and employment reflects MySkills Foundation's commitment to aligning TVET with industry demand. The collaboration with Basis Bay demonstrates how purposeful industry partnerships can equip underserved youth with relevant skills and connect them to sustainable career pathways in Malaysia's growing digital and green economy.

Deloitte.

Amplify Programme: Connecting Young Professionals with Social Impact

The **Deloitte Amplify Programme** provided young professionals with an opportunity to engage directly with MySkills Foundation's social impact work and gain deeper exposure to the realities of youth transformation.

During the volunteer engagement, Deloitte participants took part in immersive, hands-on activities across several areas of the MySkills campus, including agriculture, landscaping, electrical wiring, air-conditioning servicing, bakery, and English learning sessions. These activities created meaningful opportunities for shared learning, mentorship, skills exchange, and interaction with MySkills students.

Such engagements play an important role in building greater awareness of community needs among emerging corporate talents, while encouraging a culture of volunteerism and social responsibility. For MySkills students, the interaction provided valuable exposure, encouragement, and confidence-building through engagement with young professionals.

MySkills Foundation extends its sincere appreciation to **Deloitte** for its time, commitment, and continued support in empowering at-risk youth and advancing the Foundation's mission.

pwc Impact Engagement

MySkills Foundation welcomed **34 PwC volunteers**, led by **Ms. Malar, Social Impact Director of PwC**, to the MySkills campus in Kalumpang for the **PwC ESG Race: MySkills Foundation Impact Trip**.

Volunteers participated alongside MySkills students in hands-on activities across agriculture, electrical wiring, air-conditioning servicing, baking, and traditional food preparation. The engagement provided opportunities for mentorship, skills exchange, and confidence-building while contributing to MySkills Foundation's sustainability and youth empowerment efforts.

MySkills Foundation also participated in PwC's **Impact Bazaar**, which showcased purpose-driven businesses and social enterprises under the concept of **"buy with impact."** The platform promoted products and initiatives that create positive social and environmental outcomes, while enabling MySkills Foundation to share its mission with a wider community.

The programme reflects the growing partnership between PwC and MySkills Foundation in advancing skills development, volunteerism, and positive social impact.

Datuk K Ravindran, President of UMW Toyota Motor Sdn. Bhd. Visit to MySkills Campus

On **22 November 2025**, MySkills Foundation hosted the President of UMW Toyota Motor Sdn.Bhd , Datuk K. Ravindran alongside representatives from UMW Toyota and the **Toyota Technical Education Program (T-TEP)** at its Kalumpang campus to explore potential collaboration in automotive training.

The engagement included discussions on establishing **General Automotive Service** and **Body & Paint Training programmes** at MySkills, supported by a walkthrough of the proposed training site and facilities. The discussion also covered the capital expenditure requirements needed to develop an automotive training ecosystem on campus.

Proposed Partnership for T-TEP Automotive Training

Site Visit from UMW Toyota and T-TEP Programme Representatives

Following the visit, representatives from UMW Toyota and the Toyota Technical Education Program (T-TEP) once again visited MySkills in January 2026 for infrastructure assessment to set up automotive training facilities.

The proposed collaboration aligns with the growing automotive industry presence in Hulu Selangor and aims to create industry-relevant training pathways for MySkills students, school leavers, and at-risk youth in the wider community.

Through this programme, MySkills also seeks to engage secondary schools in the Hulu Selangor area, preparing students early for future automotive careers in line with its cradle-to-career aspiration.

Chinese New Year Community Engagement

Since 2021, Asurion has been a strong partner for MySkills Foundation to upskill at-risk youth to pursue high-income jobs in the tech-industry. Their TechAssist program was developed as an internship program to train and provide high-income work towards students from B40 backgrounds. 14 students have successfully completed this internship and gone on to work as data technicians.

In **February 2026**, MySkills Foundation was honoured to be invited to the Asurion 2026 **Chinese New Year Business Partners' Dinner**. MySkills Foundation received a contribution valued RM 6,888 as a recognition and contribution to MySkills' cause.

Following that, MySkills hosted a **Chinese New Year celebration** at its Kalumpang campus under the **MySkills Community Outreach Programme**, with the support from Asurion. The event brought together **Asurion representatives, members of the Kalumpang community, MySkills students, and staff.**

The celebration featured a lion dance by MySkills students, cultural performances, Mandarin festive greetings by students, and a festive lunch. The engagement promoted cultural inclusion, community connection, and meaningful interaction between corporate partners, students, and the local community.

MySkills Foundation extends its gratitude to Asurion for the continuous support over the years.

Rotary Club of Damansara Engagement & Vocational Service Award

On **28 March 2026**, MySkills Foundation welcomed **25 members of the Rotary Club of Damansara** to its campus for an engagement centred on service, recognition, and fellowship.

During the visit, MySkills Foundation's Founder and Director, **Mr. Pasupathi Sithamparam**, was presented with the **Rotary Club of Damansara Vocational Service Award for Rotary Year 2025–2026**. The award recognised his dedication and contribution to youth development, particularly through MySkills Foundation's work in empowering at-risk and marginalised youth through holistic education and skills training. The club, alongside Rotarian Mr. Tankaraju, generously donated **RM100,000** to fund the foundation's education and skills training programs.

The visit also included a tree-planting activity involving Rotary members and MySkills students, symbolising growth, sustainability, and shared responsibility for the future. The programme concluded with a fellowship lunch sponsored by one of the Rotarians, further strengthening the spirit of partnership and community support.

MySkills Foundation extends its appreciation to the Rotary Club of Damansara for its recognition, support, and continued commitment to service and youth empowerment.

Youth SaveSoil Advocacy Programme

On **7 July 2025**, MySkills Foundation hosted the **Youth SaveSoil Advocacy Programme** at its campus, with the support of **Mr. Sahil Jha** and volunteers from the global **Save Soil movement**.

The programme introduced students to soil sustainability, environmental awareness, and personal responsibility through interactive activities, motivational sharing, educational presentations, and a visit to MySkills' organic Moringa plots. It concluded with a

SaveSoil pledge ceremony led by Mr. Sahil Jha and **Dr. Vellapandian Ponnusamy**, Chief Executive Officer of the National Sports Institute.

The engagement strengthened students' understanding of environmental stewardship and reinforced MySkills Foundation's commitment to developing youth who are skilled, responsible, and committed to building a sustainable future.

Iftar Celebration with the Local Community

In **2026**, MySkills Foundation continued its annual tradition of hosting an **Iftar gathering** with the local community at the MySkills campus. The gathering brought together community members from diverse backgrounds, reflecting the spirit of unity, fellowship, and mutual respect that underpins the Foundation's relationship with its surrounding community.

The event provided a meaningful platform to strengthen community ties, foster social harmony, and

reaffirm shared values of compassion, inclusivity, and togetherness. It also reflected MySkills Foundation's commitment to nurturing students who are not only skilled and resilient, but also values-driven and connected to the wider community.

MySkills Foundation extends its sincere appreciation to all community members, partners, staff, and students who contributed to the success of the gathering.

Lasting Support from UKM Comrades, Segar 88 & Bikers Group

On **23 August 2025**, MySkills Foundation welcomed **UKM Comrades, Segar 88**, and **Bikers Group** for their annual visit to the MySkills campus. The visit reflected a long-standing partnership built on trust, generosity, and a shared commitment to supporting at-risk and marginalised youth.

Since **2020**, these groups have supported MySkills Foundation through monthly, annual, and one-off contributions. Their continued support has helped sustain the Foundation's holistic education, character development, and vocational training programmes for students.

Beyond financial contributions, their regular visits provide encouragement and motivation to MySkills students, reminding them that they are supported by a wider community that believes in their potential. Over the years, this engagement has become a valued tradition for both students and staff.

MySkills Foundation extends its sincere appreciation to UKM Comrades, Segar 88, and Bikers Group for their steadfast support and friendship. Their continued partnership plays an important role in sustaining the Foundation's mission to empower young people towards brighter futures.

The Circle of Green: Youth Participation in Community Tree Planting

On **5 November 2025**, MySkills Foundation participated in **#TheCircleOfGreen** programme at **Padang Awam Kampung Titiwangsa, Kalumpang**, alongside students, educators, and local agencies to promote environmental awareness and sustainable living.

The programme was jointly organised by the **Hulu Selangor District and Land Office, Pusat Komuniti Desa (PKD), PESKOM, GIATMARA Hulu Selangor**, and **MySkills Foundation**. It was aligned with the **Kita Selangor 2025** vision under the theme **"Selangor Madani, Hijaukan Selangor."**

A total of **80 MySkills students** participated in the initiative. Together, they planted **50 Pink Trumpet trees** (*Tabebuia rosea*) around the community field, contributing to the beautification of the area and supporting local environmental sustainability efforts.

The activity provided students with an opportunity to translate environmental awareness into practical action while strengthening teamwork, civic responsibility, and community stewardship. The flowering trees also

symbolised growth, unity, and hope, reflecting MySkills Foundation's commitment to nurturing responsible and community-minded youth.

The initiative extended to additional tree-planting activities across Hulu Selangor, including **Kolam Air Panas Kerling, SRA Kampung Melayu Rasa, SMK Sungai Selisek, Hulu Bernam Selatan, SMK Gedangsa**, and **Hulu Bernam Utara**.

Through its participation in **#TheCircleOfGreen**, MySkills Foundation continues to instill in students the importance of sustainability, collective action, and long-term responsibility towards the environment and wider community.

International Recognition for MySkills Co-Founder

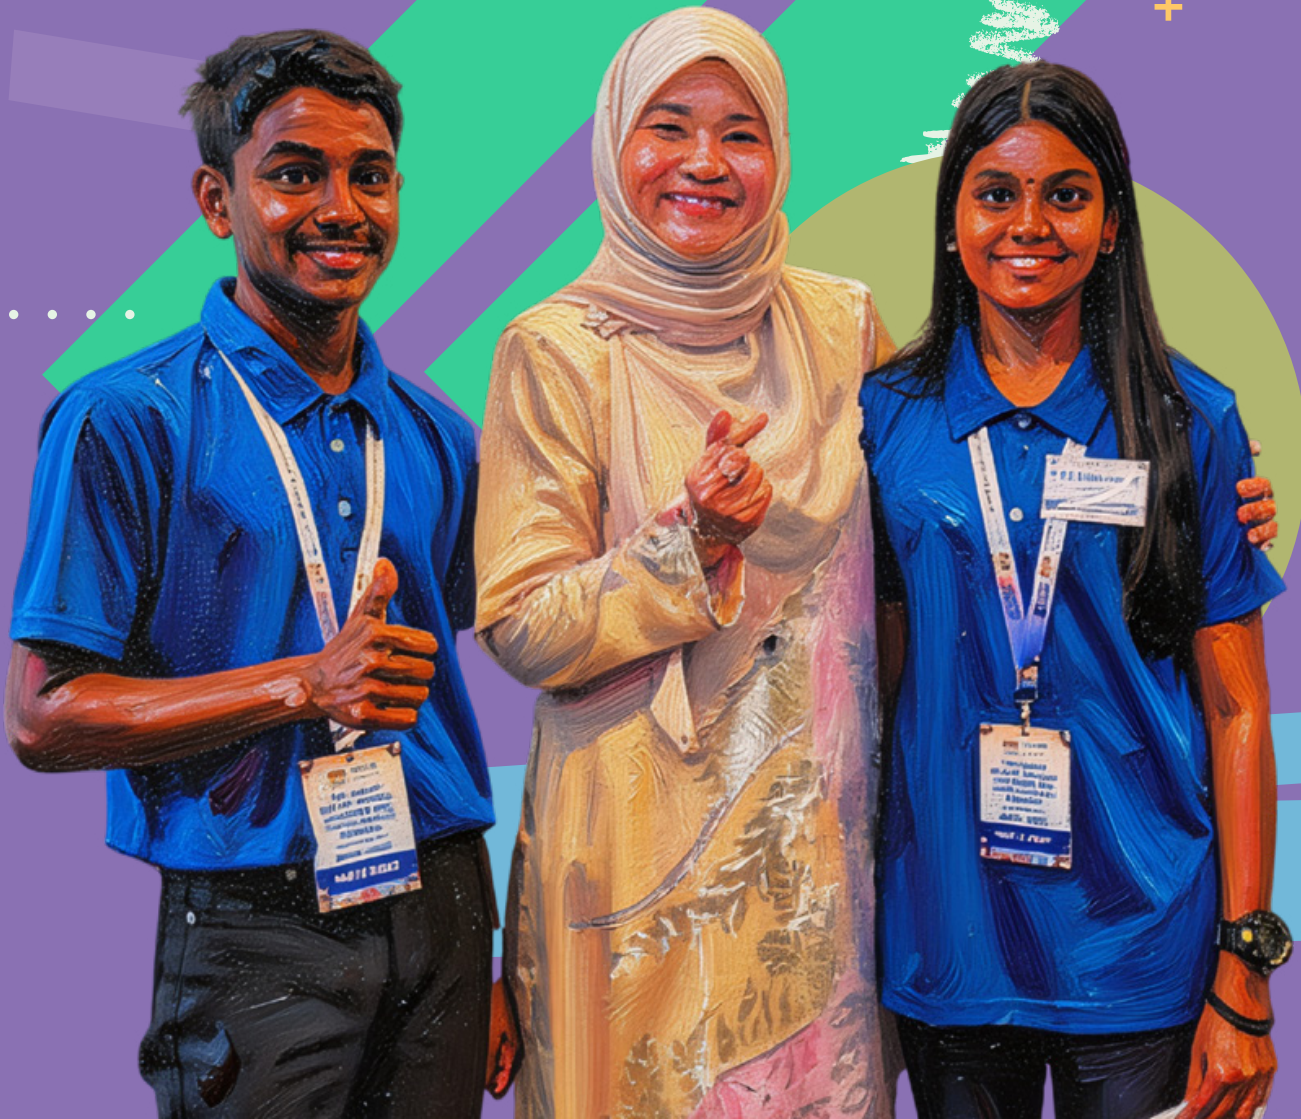

MySkills Foundation Co-Founder and Director, **Mr. Pasupathi Sithamparam**, received international recognition at the **One World, One Family Cultural Festival 2025**, organised by the **Sri Madhusudan Sai Global Humanitarian Mission** in **Sathya Sai Grama, Bengaluru, Karnataka**.

The event brought together participants from **100 countries** and served as a platform for cultural exchange, global solidarity, and social progress. The recognition reflects the growing international visibility of MySkills Foundation's work in youth transformation, education, and social impact.

FUNDING PARTNERS

Creador*

Creador Foundation supported MySkills in developing an obstacle course that promotes daily fitness, teamwork, and community engagement. The Foundation also strengthened MySkills' long-term sustainability by establishing the Endowment Fund, supporting the organisation's future growth and impact.

Amalan Setar

Amalan Setar (M) Sdn. Bhd. funded the construction of the Male Hostel Residence at MySkills Campus. Accommodating up to 250 students, the facility provides a safe and conducive environment for independent living and personal growth.

JPMorganChase

JPMorganChase has partnered with MySkills since 2018 to equip underprivileged youth with technical and employability skills. Its latest two-year programme prepares 400 at-risk youths for careers in electrical, plumbing, and maintenance industries.

HSBC

HSBC has partnered with MySkills for the past four years, supporting future skills development through its sustainability pillar. The collaboration strengthens human capital, skills competency, and value-based education, helping prepare students for sustainable careers.

YAYASAN HASANAH

Yayasan Hasanah has partnered with MySkills since 2016, sponsoring transformation training for at-risk youth. The Foundation initially supported 40 students before expanding its commitment in 2018 to sponsor 50 additional students over two years.

AmBank Group

AmBank has been a long-standing supporter of MySkills through financial contributions and impactful CSR initiatives. Its continued partnership strengthens youth development programmes while advancing opportunities for education, skills training, and community empowerment.

MALAYSIA-UN SDG TRUST FUND

The Malaysia UN-SD Trust Fund, established by the United Nations in Malaysia and Yayasan MySDG with support from the Ministry of Finance, is supporting MySkills to equip 100 at-risk youths with holistic development, vocational skills, and pathways to sustainable employment over 18 months.

Impakrintas™

Impakrintas, Malaysia's first social exchange platform commissioned by the Securities Commission Malaysia, enables transparent funding for verified social causes. Through Project STAR, MySkills Foundation aims to equip 400 at-risk youths with vocational skills and sustainable employment pathways by 2030.

Baker Hughes

Since 2022, Baker Hughes has partnered with MySkills to inspire STEM learning through the STEM Innovation Centre and employee volunteer initiatives. The collaboration promotes innovation, technical skills development, and meaningful industry engagement.

KUOK FOUNDATION BERHAD

In 2024, Kuok Foundation partnered with MySkills to sponsor holistic transformation skills training for 15 youths. With over five decades of advancing education in Malaysia, the Foundation continues creating opportunities that empower underserved communities.

MCEF

Since 2016, MCEF has consistently supported MySkills' Holistic Transformation Skills Training through annual grants. Across multiple funding cycles, the Foundation has sponsored training for approximately 18 to 20 students each year.

YAYASAN TUNKU ABDUL RAHMAN

In 2024, MySkills partnered with Yayasan Tunku Abdul Rahman (YTAR) to sponsor 12 youths in its Holistic Transformation Skills Training Programme. The collaboration advances education, skills development, mentorship, and employability for underserved young Malaysians.

MITRA

The Malaysian Indian Transformation Unit, under the Prime Minister's Department, has supported MySkills through successive funding initiatives. The MySkills transformation model was recognised in the Malaysian Indian Blueprint, with 40 students funded under the 2023/2024 grant.

Basis Bay

Since 2013, Basis Bay has partnered with MySkills to advance youth empowerment through ESG initiatives, infrastructure development, mentorship, sustainability, and digital literacy. Its long-standing support continues expanding opportunities for at-risk youth through holistic education.

VELSON

Velson Sdn. Bhd. strengthened MySkills' operations by sponsoring a fully automatic eight-seater van. The contribution enhances student mobility, supporting job placements, industrial visits, and off-campus learning experiences.

Genting Malaysia Berhad supported the development of MySkills' Cafeteria with Learning Kitchen, providing facilities for culinary, pastry, and hospitality training. Completed in 2020, the centre also supports campus catering services and practical learning.

Since 2019, Better Malaysia Foundation has supported MySkills through Berjaya Group's Deepavali CSR initiative. Beginning in 2023, the Foundation committed RM250,000 annually for 10 years, providing long-term operational support to strengthen MySkills' programmes & sustainability.

Since 2013, UNDP GEF SGP has supported MySkills through financial and technical assistance for environmental conservation and community development initiatives. The partnership successfully completed its second grant cycle in early 2022.

Asurion Malaysia partnered with MySkills through the TECH-ASSIST internship initiative, providing digital skills development and career opportunities. The pilot programme benefited 15 interns, supporting higher-income career pathways and socio-economic mobility.

Under the leadership of Datuk AP Sivam, APS Manja Sdn. Bhd donated a new 15-seater van to MySkills. The vehicle supports student transportation for on-the-job training, industrial exposure, and educational learning trips.

Kechara Soup Kitchen Society has been a valued partner in supporting MySkills' self-sustainability through regular food contributions. Its food bank and community empowerment initiatives help reduce operational costs while strengthening services for underserved communities.

Simbiotik Technologies strengthened MySkills' digital transformation by developing two pro bono mobile applications. The platforms support monitoring of Holistic Transformation Skills Training and Primus Wellness social entrepreneurship programmes.

Through Microsoft Tech for Social Impact and the Benevity programme, MySkills received donated Azure cloud credits to support its digital infrastructure. The partnership enables secure cloud services for MySkills' mobile applications and technology initiatives.

The Lost Food Project provides weekly deliveries of vegetables and dry goods to MySkills' Kalumpang campus. These contributions support cafeteria operations, reduce food costs, and strengthen campus food sustainability initiatives.

Able Group supports MySkills through monthly contributions of essential cafeteria supplies while creating employment pathways for graduates. Its long-term partnership has also provided internship opportunities, helping students transition successfully into the workforce.

For the past six years, Palmtech Oil & Fats has supported MySkills by contributing essential cooking supplies, including cooking oil, for daily campus operations. This consistent contribution helps sustain cafeteria services while reducing operational costs and supporting students throughout their training.

In 2023, Bursa Malaysia sponsored 20 students enrolled in bakery, pastry, culinary, and organic farming programmes. Beyond funding, the organisation also supports MySkills by engaging its catering services for corporate events.

In 2024, the Micron Foundation partnered with MySkills to launch the Job Placement & Monitoring Support Initiative. The programme provides graduate placements and 12 months of post-training guidance to support successful workforce integration.

Since 2019, KLK Berhad has partnered with MySkills through its education initiatives, supporting internships, literacy programmes under MyReaders, and the construction of the Female Hostel Residence Staff Apartment, creating stronger learning and residential facilities.

The Sekhar Foundation supported MySkills with capital funding for the Tan Sri B.C. Sekhar Centre for Skills & Innovation. Led by Dato' Dr. Vinod Sekhar, the Foundation continues strengthening campus facilities that foster learning, innovation, and student development.
